RE: Judicial Department Annual Report for 1983

As the administrative head of the Unified Judicial System, I am presenting the Judicial Department Annual Report. This annual report covers the judicial activities for the calendar year 1983.

In addition to the caseload information for the various levels of court, we have included a brief discussion of the activity of the Boards and Commissions within this department. Also included is the compilation of our Judicial Survey for fiscal year 1983-84. The survey provides information regarding the operating costs for the offices of Clerk of Court, Probate Judge, Master-In-Equity, Public Defender, Magistrate and Municipal Judge.

Respectfully submitted,
BRUCE LITTLEJOHN

THE JUDICIAL SYSTEM GENERALLY

The judicial system of South Carolina is composed of the courts, the prosecution, and the defense components. The court system is comprised of the Supreme Court, the Court of Appeals, the Circuit Courts, the Family Courts, the Magistrate's Court, the Municipal Courts, Probate Courts, and Masters-In-Equity. The prosecutorial system is made up of the circuit solicitors and the Attorney General's Office. The defense component includes public defender corporations, court appointed counsel, retained counsel, and the Office of Appellate Defense.

THE SUPREME COURT

The State's highest tribunal is the Supreme Court. The Court has both original and appellate jurisdiction, but generally acts only in its appellate capacity which, beginning September 1, 1983, includes cases on certiorari from the Court of Appeals and five classes of appeals directly from the Circuit and Family Courts. The five classes are cases involving (1) the death penalty, (2) public utility rates, (3) significant constitutional issues, (4) public bond issues and, (5) the election laws. The Supreme Court renders decisions based on lower court transcripts, briefs, and oral arguments. In addition to hearing and deciding cases, the Court also has rulemaking authority for the unified judicial system and controls admissions to and the disciplining of the South Carolina Bar. The Supreme Court is composed of a Chief Justice and four Associate Justices who are elected by the South Carolina General Assembly for a term of ten years. The terms are rotated and a justice may be re-elected to any number of terms. (See Article V of the South Carolina Constitution.)

THE COURT OF APPEALS

Most appeals from the Circuit Court and the Family Court will be heard by the Court of Appeals (Section 14-8-200, Code of Laws of South Carolina (1976), as amended). Exceptions are when the appeal falls within any of the five classes listed above, or when the appeal is certified for determination by the Supreme Court.

The Court of Appeals is a new court, commencing operation on September 1, 1983. It consists of a Chief Judge and five associate judges whose terms expire June 30, 1985. The Court sits either as two panels of three judges each or as a whole, and it may hear oral arguments and motions in any county in the State.

THE CIRCUIT COURT

The Circuit Court is the State's court of general jurisdiction. The

Circuit Court is divided into a civil court, the Court of Common Pleas, and a criminal court, the Court of General Sessions. In addition to its general trial jurisdiction, the Circuit Court has limited appellate jurisdiction over appeals from the Probate Court, Magistrate's Court, and Municipal Court. The State is divided into sixteen judicial circuits. Each circuit has at least one resident circuit judge who maintains his office in his home county within the circuit. There are thirty-one circuit judges serving the sixteen circuits, comprised of the state's forty-six counties, on a rotating basis, with court terms and assignments determined by the Chief Justice based upon recommendations of Court Administration.

THE FAMILY COURT

The uniform statewide Family Court system was established by statute in 1976. The Family Courts have exclusive jurisdiction of all matters involving domestic or family relationships. (Section 20-7-420.) Pursuant to this provision, the Family Courts are the sole forum for the hearing of all cases concerning marriage, divorce, legal separation, custody, visitation rights, termination of parental rights, adoption, support, alimony, division of marital property, and change of name. The courts also generally have exclusive jurisdiction over minors under the age of seventeen alleged to have violated any state law or municipal ordinance. However, most traffic and fish and game law violations are still triable in the magistrates or municipal courts. Serious criminal charges may be transferred to the Circuit Court.

The Family Court follows the territorial boundaries of the sixteen judicial circuits with forty-six judges who rotate primarily from county to county within their resident circuit but also to other circuits based upon caseload requirements as directed by the Chief Justice of the Supreme Court.

THE MAGISTERIAL COURT

There are approximately 315 magistrates in South Carolina, ranging from 2 to 22 per county. They are appointed by the Governor upon the advice and consent of the Senate, with terms ranging from two to four years. (South Carolina Constitution Article V, Section 23.) Magistrates have criminal trial jurisdiction over all offenses which are subject to the penalty of a fine not exceeding $200.00 or imprisonment not exceeding 30 days. (Section 22-3-550.) In addition, magistrates are responsible for setting bail, conducting preliminary hearings, and issuing arrest and search warrants. Magistrates have civil jurisdiction when the amount in controversy does not exceed $1,000. (Section 22-3-10). However, in Landlord-Tenant matters and cases of bastardy their jurisdiction is not limited by a dollar amount. (Section 22-3-10, subsections (10) and (12).)

1977/1978 first year employer contributions (Social Security, State Retirement, etc.) included in Department's appropriations.
Miscellaneous includes employer contributions not broken down by program, general base pay increases and merit increment funds not broken down by program.
Internal administration function was included in Supreme Court prior to 79/80.
Federal Funds, supplement appropriations, and deficiency appropriations not included in either Total Judicial or Total State.
In 82/83, the Governor's veto of agency heads' salary increases resulted in a deduction in the Internal Administration account, followed by transfers of funds back into Internal Administration from the personal service accounts of the Supreme Court, Circuit Courts and Family Courts.

THE MUNICIPAL COURT

Act 480 of 1980 substantially changed the municipal courts of this state. It established a uniform system of municipal courts to be part of the unified judicial system. The act repeals by implication all statutes which created different types of municipal courts not established in conformity with the new system (e.g., Mayor's and Recorder's Courts).

Municipal Courts have no civil jurisdiction, but have criminal jurisdiction over all state offenses and municipal ordinances subject to a fine not exceeding $200 or imprisonment not exceeding thirty (30) days, or both, and which occur within the municipality. (Sections 14-25-45 and 14-25-65). The term of a municipal judge is set by the council of the municipality, but cannot exceed four (4) years. (Section 14-25-15)

THE PROBATE COURT

Each county in South Carolina has a popularly elected Probate Judge who serves a four-year term. Probate courts have jurisdiction over estates of deceased persons, guardianships of minors and incompetents and involuntary commitments to mental institutions. (Title 14, Chapter 23.)

MASTER-IN-EQUITY

Act 164 of 1979 established a statewide Master-In-Equity system. The master is appointed by the Governor with the advice and consent of the General Assembly for a term of four years. The master may serve in a full or part-time capacity and is compensated by the County Governing Body. The Master-In-Equity has jurisdiction in equity matters referred to that court by the Circuit Court. The master has the power to hear all motions and to make orders thereon, to extend the time to answer a demurrer, to grant leave to amend pleadings and to admit new parties, to appoint guardians ad litem for infants, to enter final judgments in limited circumstances and to conduct sales. There are twenty Masters-In-Equity currently sitting. Final orders based on reports of masters are executed by circuit judges except where the master enters final judgment under limited circumstances. Appeals from final judgments entered by a master are to the Circuit Court unless otherwise directed by order of the Circuit Court or by consent by the parties.

SOUTH CAROLINA COURT ADMINISTRATION

The Office of South Carolina Court Administration was established in 1973 pursuant to the new Judicial Article, Section 4, Article V, South Carolina Constitution, which provides that the Chief Justice shall appoint an Administrator of the Courts and such assistants as he deems necessary

to aid in the administration of the courts of the State. The State Court Administrator serves as the Director of the Office of South Carolina Court Administration. It is the administrative arm of the Chief Justice in his capacity as the administrative head of the State Judicial System.

The concept of an Office of Court Administration was developed throughout the nation with the idea that courts have reached the point where they require the use of sound business management methods in carrying out their responsibilities as part of the judicial branch of government. All fifty (50) states and the Federal Court System currently have an Office of Court Administration or its equivalent.

The Office of South Carolina Court Administration engages in a wide range of responsibilities and duties. These activities are as follows:

1. Recommends to the Chief Justice the scheduling of terms of Circuit Court and the assignment of judges to preside over these terms.
2. Recommends to the Chief Justice the scheduling of terms of Family Court and the assignment of judges to preside over these terms.
3. Supervises the administration of Circuit Courts, Family Courts, Probate Courts, Masters-In-Equity, Magistrates, and, to a limited degree, Municipal Courts, as well as the support personnel related to these courts such as Clerks of Court and Public Defenders.
4. Extensive caseload information and activity statistics are collected on the operation of the Circuit Courts, the Family Courts, Probate Courts, Magistrate Courts, Municipal Courts, and Masters-In-Equity.
5. The office provides assistance to individual courts in calendar management, jury management, and recordkeeping. Such assistance is provided at the request of the individual trial courts or at the initiation of the Office of South Carolina Court Administration when problems come to its attention.
6. Serves as a clearing house of new studies and reports in the field of judicial administration and reform.
7. Makes recommendations to the Chief Justice on administrative or procedural rules being considered for adoption and analyzes the potential effect of such proposed rules on the system.
8. Supplies reports and documents to the legislature, appears before legislative committees, and drafts proposed legislation with the aid of advisory committees and others.
9. Conducts the mandatory judicial education programs for summary court judges including orientation schools for new judges and regional schools on specific subject matters.

10. Administers the Defense of Indigents Fund and the Judicial Commitment Fund.
11. Coordinates with and assists, when requested, the Judicial Standards Commission and the Office of the Director of Accounting and Personnel of the Judicial Department. Serves as liaison between the Judicial Department and other agencies of state government such as the Office of the Attorney General, the Department of Youth Services, State Law Enforcement Division, the Office of the Governor, and others. As State Court Administrator, the Director is a member of the Governor's Committee on Criminal Justice, Crime and Delinquency, the Court Modernization Committee of the South Carolina Bar, and the National Conference of State Court Administrators. Representatives of the office serve on various other committees with the Judicial Department and state government.
12. Serves as secretariat to the Judicial Council and the Appellate Defense Commission.
13. Carries out such additional duties as assigned by the Chief Justice of the State Supreme Court.

The foregoing enumerates a wide area of activity which involves various specific duties. The role of the Office of Court Administration has been an expanding one as the constitutional mandate of judicial reform and the establishment of a unified statewide judicial system has been carried forward.

OFFICE OF THE DIRECTOR OF FINANCE

This office is directly responsible to the Chief Justice for the internal fiscal operation of the Judicial Department. In addition to budgetary planning and operation, all personnel matters, payrolls and purchasing are the responsibility of this division. The State provides total funding for the operation of the Supreme Court, the Court of Appeals and Court Administration. The State also funds the salary of the circuit and family court judges, their law clerks, secretaries, and court reporters as well as related equipment and supplies. County governing bodies are responsible for providing facilities for the operation of the Circuit, Family, Probate, Magisterial Courts, and Masters-In-Equity. All other personnel are funded by county governing units. One quarter of all fines, forfeitures, and other revenues generated by the circuit and family courts are paid into the State with the balance going to the local governing bodies. All magisterial court fines and forfeitures and civil filing fees are paid to the local governing body. There are limited exceptions to this when certain fines are directed to specific agencies.

DEFENSE OF INDIGENTS

The appropriated funds are used to provide legal representation for indigent defendants in criminal proceedings. Funds are disbursed to public defender corporations, in those counties having such a corporation, on a monthly basis. In counties having no public defender corporation, payments are made directly to court appointed counsel where indigency has been determined. The program is monitored by the Office of Court Administration with recommendations to the Supreme Court for necessary rule changes and improvements.

In Fiscal Year 1982-83 (July 1, 1982-June 30, 1983) $828,243 was appropriated to the Defense of Indigent's Program. From this appropriation, each county was apportioned an amount at the rate of $265.53 per one thousand population, based on the official United States Census for 1980. These individual allocations are for the use of the public defender corporations, in those counties which have them, and for the fees of appointed counsel in those counties which do not have defender corporations. There is also a statewide Defense Fund, for the payment of certain necessary expenses incurred in indigent defense, such Fund being available to both public defenders and appointed counsel.

Below, are the funds appropriated to those counties without public defender corporations during Fiscal Year 1982-83, for the payment of fees of appointed counsel, and the expenditures from those funds during the fiscal year.

County	*Appropriated*	*Expended*
Allendale	2,841.17	3,444.85
Bamberg	4,810.87	7,853.50
Barnwell	5,275.55	6,328.50
Clarendon	7,292.52	6,202.00
Fairfield	5,496.47	4,349.25
Hampton	4,821.76	1,796.00
Jasper	3,851.25	1,182.25

Public defender corporations, in those counties which have established them, in addition to the monthly disbursements from the State appropriated Defense of Indigents Fund, are partially subsidized by the individual counties, and by other available Federal funds.

The Defense Fund, for certain necessary expenses, was originally appropriated $175,000 in Fiscal Year 1982-83, and an additional $10,000 was transferred to the Fund from other Judicial Department Funds. The total expenditure in this category was $178,185.

JUDICIAL COMMITMENT ACT

The sums appropriated by the state legislature are used to provide designated examiners, legal representation, and court reporters involved in involuntary mental commitment proceedings brought in the Probate Courts of this State. This fund is administered by the Office of South Carolina Court Administration which monitors performance and needs.

THE CLERKS OF COURT

Each county in South Carolina has a popularly elected Clerk of Court who serves a four-year term. The Clerk of Court serves the Circuit and Family Court Systems as they operate in each county. Duties of the clerks extend in both civil and criminal areas: receiving criminal warrants and forwarding them to the solicitor; receiving bail; assembling trial lists; performing courtroom duties; handling jury-related matters; receiving fees, fines and costs; maintaining all court records; and handling reporting requirements. In 41 of the 46 counties, the clerk serves as the Register of Mesne Conveyances and thus keeps all records required by the recording statutes. All funding of clerks of court for staff, office space, and equipment is a county responsibility (Section 14-17-10, et. seq.), with the exception of a limited state salary and support personnel supplement.

THE PROSECUTION

By constitutional provisions, the Attorney General is the chief prosecutor of the State. (South Carolina Constitution, Article V, Section 20.) The Attorney General, besides acting as the State's chief prosecutor, also represents the State in civil litigation, and issues opinions regarding the interpretation of law. (Title 1, Chapter 7.)

Prosecution in circuit court is carried out by a circuit solicitor and his assistants. In addition, a solicitor, if directed by the Attorney General, may represent the State in a civil proceeding.

THE DEFENSE

An accused in South Carolina, when unable to retain counsel due to financial inability, may request the court to appoint counsel upon proof of indigent status. Such public defense may be by public defender or by appointed counsel, upon designation by the court. The fees (within maximum limits) and expenses are paid to appointed counsel, upon application for reimbursement by voucher to the Office of Court Administration out of a special fund established by the legislature for such purposes. Once an appointment is made, the attorney must represent the accused through trial, but he may be permitted to withdraw for good

cause. The attorney serves without pay once the special fund is exhausted, unless the county provides additional funds. Also, attorneys in counties having public defender corporations may not have fees paid from the special fund, but must seek payment from other sources. Presently there are 36 public defender corporations established to provide services in 39 counties with the funds for these programs supplied from the Defense of Indigents program funds. State law allows multi-county defender corporations, but only three such corporations have been formed. The Office of Appellate Defense operates under the direction of the Appellate Defense Commission and handles all criminal indigency appeals.

BOARDS AND COMMISSIONS

BOARD OF COMMISSIONERS ON GRIEVANCES AND DISCIPLINE

The caseload of the Board of Commissioners on Grievances and Discipline increased so dramatically that the prior rule was revised by Order of the Supreme Court dated January 17, 1983.

Every grievance received by the Board is reviewed by the Chairman; he may dismiss the grievance for lack of merit, refer it to another Commission which may best suit the needs of the Complainant such as the Fee Disputes Committee, or the matter may be assigned for investigation by a member of the Commission from the circuit where the attorney complained about resides. Due to the increase in grievances, there are eight Associate members appointed for investigating only, besides the twenty-five full Commission members. When an investigative report has been filed by a Commission member, the matter is then scheduled for review by the Executive Committee. The Executive Committee is made up of five of the Commission members and meets monthly.

If the Executive Committee finds no merit to the grievance, the matter is dismissed. If the Committee finds probable cause that a violation of the Code of Professional Responsibility has occurred, the matter is referred to the Attorney General's Office and formal charges are brought by way of a Formal Complaint against the attorney. The matter is then set for a hearing by a three member panel made up of members of the Commission. Sixty days after the hearing the panel must submit a report of their findings of fact, conclusions of law, and a recommendation as to what sanction they feel should be imposed on the attorney for the violation. The entire matter is then reviewed appellately by the Executive Committee, the Executive Committee makes an independent recommendation as to sanction, and the matter is thereafter certified to the Supreme Court for their review and final disposition.

All proceedings before the Board of Commissioners on Grievances and Discipline are confidential.

A statistical summary is set forth on the following page. This summary differs from previous years because a log is now kept of all inquiries being considered. Previously, only those forwarded for formal investigation were used for statistical purposes. The present method is a more accurate accounting of the case load of the Board of Commissioners on Grievances and Discipline.

THE BOARD OF COMMISSIONERS ON JUDICIAL STANDARDS

The Supreme Court, under the authority vested in it by Article V of the South Carolina Constitution, issued Supreme Court Rule 34 entitled Rule on Judicial Discipline and Standards, which provided for the formation of the office of the Board of Commissioners on Judicial Standards, and also sets forth its area of responsibility and duties. The Judicial Standards Commission office commenced operation November 1, 1976. This Board, made up of six judges and two lawyers, was formed to accept from complainants their grievances against South Carolina judges and to make any necessary inquiry to determine if a judge has violated the Code of Judicial Conduct or has acquired any physical/mental disability of a permanent nature which might affect his ability to perform his official functions.

Rule 34 also provides for the appointment of nine Hearing Masters by the Supreme Court. If a hearing is scheduled by the Board, three Hearing Masters are selected by the Supreme Court to hear the case against the respondent judge. They have the duty of reporting their findings of fact and conclusions of law with respect to the issues presented by the complaint and answer.

After reviewing the record and this report by the Hearing Masters, the Board has the authority to make their own findings or concur with the Hearing Masters. They then have the duty of recommending any disciplinary action to the Supreme Court, which makes the final decision in the matter, and at that time it becomes a matter of public record.

The Examiner for the Board, an Assistant Attorney General, is appointed by the Supreme Court.

The office staff is composed of an Executive Secretary and an Administrative Assistant whose duties are to accept from the public, or other sources, grievances against judges and to make an initial inquiry in order to present the facts to the Board at their regular meetings. The office staff also performs the usual duties of maintaining files and records of the Board. The Executive Secretary also conducts any investigation requested by the Board.

The following is statistical data reflecting cases received and disposed during 1983.

Analysis of Data:

Some brief conclusions can be drawn upon an examination of the above grievance data:

(1) 70% of all grievances were either obviously unfounded or there was no evidence of misconduct, lack of jurisdiction or was an appellate matter. Grievances of this type came from dissatisfied litigants who had accused the judge of partiality or disregard of the law in the case, but who points to no substantiating evidence. Such persons were advised of the proper appellate remedy.

(2) Many grievances were received from litigants in divorce or custody matters and from civil and criminal defendants. A common assertion made was that the judge failed to give the parties a fair hearing in the case or was arrogant and rude. Judges might profitably reexamine their attitude and demeanor toward lawyers and litigants and, where necessary, take more care to arrive at sound judgments, make their decisions and explain the reasons for their rulings with as little display of personal feeling as possible.

Action Taken In The Reporting Period (January 1, 1983 through December 31, 1983)

The Commission experienced a steady flow of requests for investigation during 1983, as noted. Although there were fewer complaints re-

ceived in 1983 than in 1982, the complaints received in 1983 appeared to be more complex and required more investigative time.

Additionally, correspondence was sent to persons in response to written communications in 30 instances where there was either no complaint, the parties were seeking legal assistance or presented a legal question or other miscellaneous reasons. These situations were handled by the Executive Secretary and did not reach the full Board.

Many general questions regarding the function and discipline process of the Commission were also answered on a continued basis.

The Executive Secretary made ten presentations during the year. One presentation was during the Appeals Court Judges' orientation, one during a Magistrates' orientation, and nine during annual required seminars for Magistrates. Board Member, The Honorable Walter T. Jones, Jr., made one presentation to an annual required seminar for Magistrates.

BOARD OF LAW EXAMINERS

Section 4 of Article V of the Constitution provides that the Supreme Court shall have jurisdiction over the admission of persons to the practice of law and, pursuant to this provision, the Court has appointed a Board of Law Examiners whose responsibility it is to determine whether or not the applicants possess the necessary legal knowledge for admission. In addition, the Court has appointed a Committee of five attorneys to determine whether the applicants possess the character and fitness for admission.

The bar examination consists of a multistate examination as given by the National Conference of Bar Examiners. This is a machine graded examination that is given in 41 states on the last Wednesday in February and July each year. In addition to the multistate examination, the examiners prepare questions and test the applicants on additional subjects. The essay portion of the examination is given on Thursday and Friday following the multistate examination. Each examiner grades his own questions and the scores are combined for an average and then forwarded to the National Conference of Bar Examiners to be combined with multistate grades.

The Clerk of the Supreme Court serves as secretary to the Board of Law Examiners, and the administrative work in connection with bar admissions is the responsibility of the Clerk.

CONTINUING LEGAL EDUCATION COMMISSION

The Supreme Court of South Carolina adopted in 1976 a rule which required mandatory continuing legal education for all judges within the state judicial system with the exception of the magisterial judges. Each judge is required to complete a minimum of fifteen (15) hours of legal education each calendar year. Such training may be acquired by in-state or out-of-state programs which are approved by the Commission. The

Commission is composed of a Justice of the Supreme Court, two Circuit Judges, one Family Court Judge, one member of the University of South Carolina Law School Faculty and two members of the Bar of South Carolina. The Continuing Legal Education Program of the South Carolina Bar provides secretariat services to the Continuing Legal Education Commission for the Judiciary.

COURT OF GENERAL SESSIONS

The Court of General Sessions is served by 31 Circuit Court Judges who sit during terms of court scheduled by the Chief Justice. The judges rotate among the 16 judicial circuits which include all 46 counties in South Carolina. When judges are not presiding over General Sessions they are used in the Court of Common Pleas.

During 1983, the Court of General Sessions realized significant increases in both new indictments filed and indictments disposed — reversing a two-year pattern of decreased filings and dispositions. Over the past six years an average of nearly 33,000 filings and slightly more than 33,000 dispositions occurred each year. Those averages convert to approximately 2,750 filings and 2,750 dispositions per month statewide.

The six year trend of slightly more indictments disposed each year than are filed has reduced the number of pending indictments to its lowest level, 6,127, since compilation of General Sessions caseload records began in 1978.

AGE OF PENDING INDICTMENTS

The number of indictments pending is a concern when the numbers are large and show a growing trend. Of equal or greater importance is the age of these pending indictments.

On August 17, 1983, Chief Justice J. Woodrow Lewis issued an administrative order requiring indictments aged more than six months from date of arrest to be given priority attention by the courts. The effective date of order was October 1, 1983. The result was that the number of pending indictments dropped from 6,692 on June 30 to 6,127 by December 31, 1983. Also during the last half of 1983, the percentage of all pending cases aged less than six months from date of arrest increased from 42% on September 23 to 52% by the end of the year.

Of the 6,127 indictments pending at year's end, 3,197 or 52% were aged 6 months or less, 994 or 16% were aged 7 to 9 months, 658 or 11% were aged 10 to 12 months, 476 or 8% were aged 13 to 18 months, and 802 or 13% were aged more than 18 months from date of arrest. Nearly two-thirds of the cases aged more than six months were on the contingent docket or involved in PreTrial Intervention.

NOTE: Measurement of the age of pending of indictments by date of arrest was not available until 1983. After 1983, measurement of age by date of filing is not available.

COURT OF COMMON PLEAS

Filings and Dispositions

For the five year period beginning with 1979, the Court of Common Pleas has experienced an overall gradual increase in filings. The number filed in 1979 was 36,349 while the number filed in 1983 was 40,498. During the five years, an average of 39,180 cases per year were filed and the average increase from year to year was nearly three percent.

Until 1983, dispositions had appeared to have stabilized during the year 1980 through 1982. However, in 1983 a record 44,249 civil cases were disposed.

Pending Cases

An August 17, 1983 administrative order of Chief Justice J. Woodrow Lewis required the courts to give priority attention to all cases aged more than one year from date of filing. By the end of 1983, 95% of the pending cases were aged 12 months or less, 3% were 13-18 months and 2% were aged more than 18 months. While the courts focused on the oldest cases, the total number of pending cases dropped to its lowest point in five years at 18,985. Perhaps more than the filings and dispositions, the number of pending cases and their age reflect the excellent status of the Common Pleas docket.

FAMILY COURT

The unified family court system, created by Act 690 of the 1976 Acts and Joint Resolutions, began operation on a statewide basis on July 1, 1977. The courts have exclusive jurisdiction over all matters involving domestic or family relationships. These matters include cases concerning marriage, divorce, legal separation, custody, visitation rights, adoption, termination of parental rights, support, alimony, division of marital property, and change of name. Additionally, the family courts were given exclusive jurisdiction over minors under the age of seventeen who committed criminal or quasi-criminal acts.

There are forty-six family court judges who rotate among the sixteen judicial circuits as assigned by the Chief Justice of the State Supreme Court. Since the implementation of the unified family court system, substantial progress has been made in reducing the number of cases awaiting disposition and the age of the pending cases.

The following is a brief statistical report describing the change in filings and dispositions since 1976.

PENDING FAMILY COURT CASES

The figures for 1976 give an indication of what the dockets looked like before the implementation of the unified family court system. The newly formed court went into operation on July 1, 1977. Pending cases which were previously handled by the circuit or county courts, but now came within the exclusive jurisdiction of the family court, were transferred to the family court dockets.

Because of staffing, furnishing, and other problems associated with the implementation of a new court system, many courts did not become fully operational until the latter months of 1977. During 1977, the number of pending family court cases increased by 16%. Since 1978 the family courts have witnessed both increases and decreases, with a nearly five percent decrease in the number of pending cases for the year 1983.

An administrative order of Chief Justice J. Woodrow Lewis, dated August 17, 1983, required the family courts to focus attention on pending cases aged more than six months before disposing of cases aged less than six months. The order went into effect on October 1, 1983. By the end of the year, the percent of cases aged less than six months increased from 80% on January 1 to 86% on December 31, 1983.

1983 SUMMARY OF MAGISTRATE INFORMATION

MAGISTRATE COURT

The magistrate courts handle more cases than any other court level. During 1983 this court handled 58% of all dispositions. The magistrate court receives more exposure to the public than any of the other court levels, based on caseloads.

With the exception of 1980, the caseload in the magistrate courts has continued to increase. These increases during the last four years, however, have been moderate when compared to the overall volume of cases handled.

Of the 616,484 case filings, traffic cases account for the largest amount at 67.5%, followed by civil with 17.4% and non-traffic criminal with 15.0%. Disposition totals for each grouping share those proportions.

Most criminal (traffic and non-traffic) cases are disposed of by bond forfeiture or some other administrative action. This type of disposition accounts for 68.3% of the total. Jury trials are held in less than one percent of the cases, and the remainder, 31.1%, are disposed by "bench" trials heard by the magistrate without a jury.

Although the magistrates handle over six hundred thousand cases per year, the number of cases remaining pending for longer than sixty days is very small.

1983 SUMMARY OF MUNICIPAL INFORMATION

MUNICIPAL COURT

The collection of caseload information on municipal courts began in 1980. The large increase in cases reported during 1981 is due more to a new information system than to any significant change in caseloads. Since 1981, the filing and disposition totals have shown only slight increases.

Traffic cases account for nearly two-thirds of the case filings in the municipal courts. The remaining third is split almost evenly between non-traffic cases and municipal ordinance violations.

Regarding case dispositions, a large majority, 76.1%, of the cases are disposed by bond forfeiture or other administrative action. Jury trials are conducted for nearly one percent and non-jury or "bench" trials are conducted for 23%.

1983 ANNUAL JUDICIAL SURVEY

Each year the offices of the Clerks of Court, Probate Courts, Masters-In-Equity, Public Defenders, Magistrates and Municipal Courts are required to provide to South Carolina Court Administration a survey response describing the personnel and operating costs and the revenues collected by each office. For 1983, the costs for operating each office are taken from the amounts appropriated by the counties for each office for fiscal year 1983-84. The revenues collected reflect the amounts actually collected during fiscal year 1982-83. The survey was taken during October and November, 1983.

Within the judicial survey for each type of office, a statewide ranking is provided based on the number of full time employees, total budget and where applicable, total revenues collected. Whenever two counties share a ranking, both counties are given the higher ranking, the lower of the two rankings is skipped and the next ranked county is given its correct ranking. For example, the Berkeley Clerk of Court's office reported 10 full time employees, Orangeburg 10 and Laurens 9. Both Berkeley and Orangeburg were ranked 12th and Laurens was ranked 14th.

The costs for operating the other offices within the judicial system are provided for in the State Appropriations Act and not included in this survey.
